FAQs

1. **How long does it take to complete the courses?**
This course is just 2 hours long with self-paced online lectures.
2. **What background knowledge is necessary to take specific courses?**
You will need to have a working knowledge of Excel, a knack for storytelling, and good critical thinking skills.
3. **What software will I need to complete the exercises and case?**
You will need MS Excel
4. **What if I am unhappy with the course?**
We would never want you to be unhappy! If you are unsatisfied with your purchase, contact us within the first 2 days of joining or before completing 20% of the course, whichever is earlier, and we will give you a full refund.
5. **Will I get a certificate for completing the course?**
Yes, you will get a certificate of completion after finishing all the modules in the course.
6. **Is there a reading list for the courses?**
Yes, we recommend “Behind Every Good decision” as a reference guide. Additionally, you may receive an individual course reading list at the beginning of class. We also recommend joining the Facebook class page to get the current reading list and check out blogs and videos to keep abreast with the latest in analytics.
7. **What do I do if I have questions while going through the training?**
If you have logistical issues while taking the course, please email support@aryng.com or call 408.412.7279 right away. If you have analytics-related questions, we recommend you use a mentoring package to spend 1-on-1 time with a senior Aryng expert. You can jot down your questions and get them all answered in a session or two at the end of your course.
